1. The following is an examiner's statement of reasons for allowance: The co-pending application 10/430593 has been abandoned. The term "plate" in claim 22 has been interpreted as not including a sheet support (ie polymer film), but something more robust/rigid like a metal plate and is congruent with the disclosure in the specification.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
